photography. Subsequent KEYHOLE missions, notably [REDACTED] have shown the construction progress at this launch area. The administration and housing section of Launch Area No 3 now is immediately adjacent to the fixed field-type launch site. The main access road which connects the Area No 3 launch site with the administration and housing section now passes directly through the fixed field-type launch site. The fixed field-type site probably was abandoned when construction of the hard launch site was begun.
